We have introduced a new match and program for the 2010 year.

The Range Official Certification Program is new for 2010. The goal of the Range Officials Certification Program is to provide every club and range with trained line and pit officials and range safety officers. The secondary goal of this program is to provide experienced officials with a comprehensive range command handbook, alibi situation manual and pit situation manual.

Also new in 2010 is the Vintage Sniper Test Match. The competition will consist of two-man teams, each team member firing 15 rounds at 300 yards and 15 rounds at 600 yards. Winners will be recognized but because this is a test match no awards will be given.

The As-Issued M1 Garand Special EIC Match was moved to Sunday in 2009 and was very well received and will continue in 2010. Bushmaster Firearms will again offer a DCM XR competition rifle to the highest-ranking competitor in this match who is eligible to earn a 4-point Distinguished Rifleman credit (competitors who have earned no previous EIC points).

The CMP introduced introductory EIC Pistol Matches and a regular EIC Pistol Match at the 2009 Eastern Games. In 2010 the CMP will host the following: Pistol Fundamentals Clinic, As-Issued Special EIC Pistol Match, Regular EIC Pistol Match. These matches will be held on Sunday 9 May 2010 in the afternoon on the pistol range at Camp Butner.

The Rimfire Sporter match was a big hit in 2009 and will be fired again in 2010.

There will again be a Carbine Match on Monday afternoon following the As-Issued Military Rifle Matches.
